You must not enter these premises if you or anyone in your household has COVID-19 symptoms.

If you develop COVID-19 symptoms within 48 hours of visiting these premises alert NHS Track and Trace. Alert the hall's Management Committee Chair on 01524 781306 and alert the organiser of the activity you attended. **You must seek a COVID-19 antigen test.**

Maintain 2 metres social distancing as far as possible

Use the hand sanitiser provided on entering the premises. Clean your hands often. Soap and paper towels are provided.

Face coverings MUST be worn unless an exemption applies to a person (e.g. for health reasons, those aged under 11) or a person has a reasonable excuse not to wear a face covering (e.g. when taking part in an activity to which an exemption applies). **This is a legal requirement.**

Avoid touching your face, nose, or eyes. Clean your hands if you do.

"Catch it, Bin it, Kill it". Tissues should be disposed of into one of the rubbish bags or bins provided. Then wash your hands.

Check that the organisers of your activity have cleaned door handles, tables, chairs, other equipment, sinks and surfaces before you arrived. Keep them clean. The hall cleaner cannot clean all surfaces between each hire.

Take turns to use confined spaces such as corridors and toilet areas. Standing or sitting next to someone is lower risk than opposite them. Briefly passing another person in a confined space is low risk.

Keep the hall well ventilated. Close and lock doors and windows on leaving.

Wash your clothes when you get home to reduce risk of virus transmission.
